

The Shelby *Three Bedroom Two Bath*

This three bedroom home has two full baths with lots of room to accommodate a larger family. Its open floor plan has exposed dormer windows and an open kitchen with a breakfast bar, creating a gathering room for entertaining. You also have the option of a 9 ft. ceiling to enhance the open sun-filled space. As with all the homes, the large master bedroom has an adjoining master bath with a spacious walk-in closet.
